

40-Day Prosperity Plan*

Below are ten powerful, affirmative statements, which will help you to transform your relationship with prosperity and abundance. Pick a quiet place and every day – either on arising or before retiring in the evening – read one of the statements and meditate on it at least 15 minutes, giving it your total attention. After you have gone through all the statements, begin again and continue until you have completed the entire list four times for a total of forty days. If you miss a day during this process, start all over from the beginning. Following each daily session, write down in a Journal the thoughts that come to you. *This is an important part of your daily process.*

1. God is lavish, unfailing Abundance, the rich omnipresent substance of the Universe. This all-providing Source of infinite prosperity is individualized as me – the Reality of me.
2. I lift up my mind and heart to be aware, to understand, and to know that the Divine Presence I AM is the Source and Substance of all my good.
3. I am conscious of the Inner Presence as my lavish Abundance. I am conscious of the constant activity of the Mind of infinite Prosperity. Therefore, my consciousness is filled with the Light of Truth.
4. Through my consciousness of my God-Self, the Christ within, as my Source, I draw into my mind and feeling nature the very substance of Spirit. This substance is my supply, thus my consciousness of the Presence of God within me is my supply.
5. Money is not my supply. No person, place or condition is my supply. My awareness, understanding and knowledge of the all-providing activity of the Divine Mind within me is my supply. My consciousness of this Truth is unlimited; therefore, my supply is unlimited.
6. My inner supply instantly and constantly takes on form and experience according to my needs and desires, and as the Principle of Supply in action, it is impossible for me to have any needs or unfulfilled desire.
7. The Divine Consciousness that I am is forever expressing its true nature of Abundance. This is its responsibility, not mine. My only responsibility is to be aware of this Truth. Therefore, I am totally confident in letting go and letting God appear as the abundant all-sufficiency in my life and affairs.
8. My consciousness of the Spirit within me as my unlimited Source is the Divine Power to restore the years the locust have eaten, to make all things new, to lift me up to the High Road of abundant prosperity. This awareness, understanding and knowledge of Spirit appears as every visible form and experience that I could possibly desire.
9. When I am aware of the God-Self within me as my total fulfillment, I am totally fulfilled. I am now aware of this Truth. I have found the secret of life, and I relax in the knowledge that the Activity of Divine Abundance is eternally operating in my life. I simply have to be aware of the flow, the radiation, of that Creative Energy, which is continuously, easily and effortlessly pouring forth from my Divine Consciousness. I am now aware. I am now in the flow.
10. I keep my mind and thoughts off “this world” and I place my entire focus on God within as the only Cause of my prosperity. I acknowledge the Inner Presence as the only activity in my financial affairs, as the substance of all things visible. I place my faith in the Principle of Abundance in action within me.
